

Michelle Turney (Turney's Totz)

I am a bubbly, friendly person who wants to invite your child into my home to be treated as one of the family. I provide a range of toys, activities and experiences for children on a daily basis. We go on various outings, to the local park, soft play centres and local shops. We also meet with other childminders so the children have an opportunity to mix with other children. I also have annual passes to Alnwick Gardens and Tynemouth Sealife Centre.

I work hard to gain and maintain relationships with the parents of the children I care for. Being a parent myself I understand how hard it can be for parents to find childcare and return to work - I like to think I make the process for them as hassle free as possible. I deliver Free Entitlement for 2, 3 and 4 year olds, please contact me for further information and availability.
