

Bedlington Whitley Memorial CofE First School

For information on childcare contact Families Information Service on freephone 0800 023 4440

The school offers a range of out of school activities. The school has information on activities available within (the local partnership of schools and) the local community. For further information contact the school.

The school, working closely with other services, has a focus on and clear processes to support:

- preventative strategies
- early identification
- support
- intervention

for children/young people with additional needs and at risk of poor outcomes. This includes those with behavioural, emotional, health or other difficulties.

The school provides: family learning sessions. For information about nationally and locally available sources of information, advice and support, contact Families Information Service on freephone 0800 023 4440

The school offers access to some of its facilities for use by the wider community. The school has information about adult learning programmes within the locality.
